

UGC Creator Brief

Create useful footage that sells the benefit, answers objections and can be edited into multiple ads.

WORKBOOK | **WRITE DIRECTLY IN THIS PDF OR PRINT IT**

Creative objective

- Who is this for?

- What problem or desired outcome should the first second communicate?

- What is the single call to action?

Required footage

- Hook, product in use, detail shot and outcome.

- One objection addressed naturally on camera.

- One reaction, testimonial or proof moment.

Delivery checklist

- Vertical 9:16 footage, clean audio and natural lighting.

- Raw clips and one edited version delivered.

- Usage rights and deadline confirmed in writing.

FOUNDER NOTE

Evidence first. Make the smallest useful decision. Then run the next controlled test.
